

@IF_DETERMINED_CONTINUE

The **value or string parameter** attribute @IF_DETERMINED_CONTINUE is used to define that the dialog may continue when the [OPTIONS] dialog-based value is determined.

Syntax

Place @IF_DETERMINED_CONTINUE in the data slot of the parameter

Remarks

Please realise that you should only use this attribute when the parameter is the only one asked in the dialog. Otherwise the dialog will continue after this value is determined while you still have to provide the data for other parameters in the dialog
