

Getting started documents

Getting started documentation

To start your work as knowledge engineer, Qnowledge base developed getting started documents. These document, together with the tutorials will give a profound basis for your knowledge engineering development skills in Quaestor.

- Knowledge engineering getting started course Part 1 (PDF document)
- Knowledge engineering getting started course Part 2 (PDF document)

Go to the [Tutorials](#) to get some hands on experience. For example knowledge bases you can also visit the www.quaestor.org website: click here for the examples (In most browsers the link will open in a separate window).
